Instead of a December monthly meeting we will be having our annual Christmas Sundowner on the terrace at Karlup for the first time this year! Please come along – partners most welcome – with something yummy to share and whatever you need to keep refreshed. LISA O'MALLEY VISITS KARLUP

Last Monday evening Robert Hawes' wheel-work class had an additional participant – the Member for Bicton, Lisa O'Malley MLA. Lisa was instrumental in organising a \$25,000 grant from the State Government which has been used for furnishings for the new building and she was keen to see the final product. Lisa has been a long time supporter of the Club and was Guest of Honour at the opening of last year's Glorious Mud Exhibition.

On Monday she was at the studio to see Robert's wheelwork class in action and she really got into the swing of things.

CERAMICS CLASSES AND WORKSHOPS 2023

The new year is almost upon us and Peggy Stacy has been working very hard to put together programs of ceramics classes, summer school and workshops for the first term of 2023. The workshops program will include some Saturday workshops run by fellow members and there will be something to appeal to everyone looking to explore new techniques and ideas. Keep an eye on the Club website for the listings which will appear very soon under the 'Classes' and 'Workshops' links.
